REPORT

To the State Board of Financial Institutions:

In compliance with your instructions, I am pleased to present herewith the Eighty-Fourth Annual Report of the Examining Division of the State Board of Financial Institutions, covering the fiscal year July 1, 1989 to June 30, 1990. The schedules and abstracts included contain pertinent information relating to the operation, changes, and conditions of banks, trust companies, savings and loan associations, savings banks, and credit unions under the supervision of the State Board of Financial Institutions; and comparative abstracts reflect the changes in resources during this period. A list of funeral homes that are licensed to sell preneed funeral contracts is included. Since the "South Carolina Bank Holding Act" became effective January 1, 1986, we are including a list of bank holding companies and savings and loan holding companies in South Carolina or in another state that own either bank or savings and loan subsidiaries in South Carolina as of June 30, 1990, that are required to register with the State Board of Financial Institutions.

Also included in this report are the annual reports of the Consumer Finance Division of the State Board of Financial Institutions, covering the period January 1, 1989 through December 31, 1989.

Respectfully submitted,

Robert C. Cleveland
Commissioner of Banking

STATE BOARD OF FINANCIAL INSTITUTIONS

Description of Activities and Programs and Priorities

I. Administration

Ten member Board that meets monthly. The State Treasurer is Chairman and ex officio member. The Board acts upon applications for new banks, trust companies, savings and loan associations, savings banks, credit unions, consumer finance licenses, and preneed funeral contract licenses to funeral homes. Also, it acts on applications for branches of banks, savings and loan associations, savings banks, and credit unions. Issues regulations and instructions relating to supervision of financial institutions under its control.

II. Examining Division

The Commissioner of Banking, who reports to the State Board of Financial Institutions, is in charge of this division which examines and supervises banks, trust companies, savings and loan associations, savings banks, credit unions, and issues licenses to funeral homes that sell preneed funeral contracts and maintains records concerning the sale of such contracts. Makes investigations for new bank, trust company, savings and loan association and savings bank charter applications and investigations for branch applications. Reviews bank reports of examination made by Federal Deposit Insurance Corporation. Since January 1, 1986, the effective date of the "South Carolina Bank Holding Act", the division receives and processes applications for South Carolina bank holding companies and for these holding companies to acquire South Carolina banks, South Carolina bank holding companies, and banks and holding companies in thirteen Southern Region states and the District of Columbia that have reciprocity laws. Through examination procedures, keeps the State Board of Financial Institutions advised of the condition of financial institutions under its control. In constant contact with these institutions. Makes call on banks and trust companies four times annually for report of condition, and earnings and dividend report for banks quarterly and for trust companies semiannually. Makes call on savings and loan associations and savings banks twice annually and credit unions annually. Compiles annual report of these institutions as required by statutory law. Determines if State laws, rules and regulations, and instructions of the Board are complied with, and reports criminal violations to the Board.

As required by Act 189, Section 129.50 of the 1989 Acts, the following information is submitted:

The State Board of Financial Institutions, Examining Division, has only one program, that program is examining/supervising State chartered financial institutions in South Carolina which includes commercial banks, credit unions, savings and loan associations, savings banks and trust companies. We also issue licenses to funeral homes that want to sell preneed funeral contracts.

STATE BOARD OF FINANCIAL INSTITUTIONS

Description of Activities and Programs and Priorities--Continued

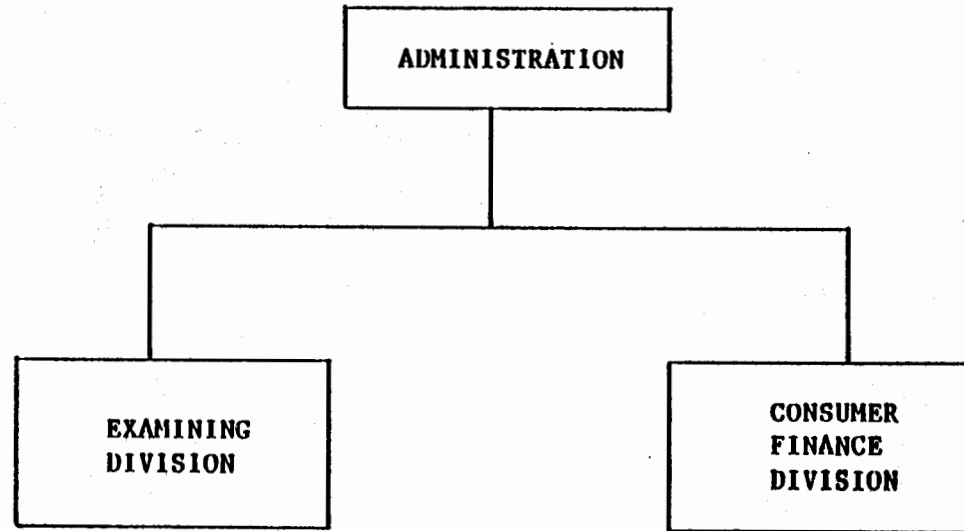

Our mission is to examine these financial institutions at least once annually, process applications for branches received from these institutions, and process applications received for new charters.

As to priority, financial institutions that have major problems have priority in our examining process over institutions that have minor problems.

III. Consumer Finance Division

Division head is a Director, who reports to the State Board of Financial Institutions. This division examines and supervises consumer finance companies licensed under Title 34, Chapter 29, Code of Laws of South Carolina, 1976, as amended (Section 34-20-10 et seq) "Consumer Finance Law" and Title 37 "Consumer Protection Code" (Section 37-3-500 et seq) "Supervised Loans". Conducts hearings on applications for new licenses, investigates complaints filed, checks death claims of borrowers who are deceased, compiles annual report as required by the aforementioned laws, and keeps the Board of Financial Institutions fully informed of problems and violations of the laws, regulations and instructions of the Board.

ANNUAL REPORT
OF RESTRICTED LICENSEES

CONSUMER FINANCE DIVISION
BOARD OF FINANCIAL INSTITUTIONS

January 1st through December 31st, 1989

TO: THE STATE BOARD OF FINANCIAL INSTITUTIONS

Gentlemen:

A consolidation of the reports made under oath by those licensed to operate under the South Carolina Consumer Finance Law for the calendar year 1989, is hereby submitted, in compliance with the terms and provisions of 34-29-100 of the Code of Laws of South Carolina 1976.

As of December 31, 1989, there were 405 Restricted Licensees operating in South Carolina, representing 44% of the total licensed finance companies.

There were also 29 licenses issued, 29 licenses cancelled, no applications denied, and 37 changes of name and/or address effected during the calendar year.

This division, in addition to examining all licensees at least once a year, also checks on the accounts of all persons who die while owing licensees. These accounts are checked to ascertain that proper credit was given for the amount of insurance in force at the time of death and that correct refunds were made. 1230 death claims were physically checked by members of this division.

47 written complaints were received, investigated and brought to a successful conclusion during the calendar year 1989, in addition to numerous telephone and verbal complaints and inquiries.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Emory L. Hilton", is written over the typed name and title.

Emory L. Hilton, Director
Consumer Finance Division
Board of Financial Institutions

January 1st through December 31st, 1989

TO: THE STATE BOARD OF FINANCIAL INSTITUTIONS

Gentlemen:

A consolidation of the reports made under oath by those licensed to operate under the South Carolina Consumer Protection Code for the calendar year 1989 is hereby submitted, in compliance with the terms and provisions of 37-3-505 (2) of the Code of Laws of South Carolina 1976.

As of December 31, 1989, there were 512 Supervised Licensees operating in South Carolina, representing 56% of the total licensed finance companies.

There were also 52 licenses issued, 29 licenses cancelled, and 38 changes of name and/or address effected during the calendar year.

This division, in addition to examining all licensees at least once a year, also checks on the accounts of all person who die while owing licensees. These accounts are checked to ascertain that proper credit was given for the amount of insurance in force at the time of death and that correct refunds were made. 170 death claims were physically checked by members of this division.

77 written complaints were received, investigated and brought to a successful conclusion during the calendar year 1989 in addition to numerous telephone and verbal conversations and inquiries.

Respectfully submitted,

Emory L. Hilton, Director
Consumer Finance Division
Board of Financial Institutions
